

**ST ANN PARISH  
RELIGIOUS EDUCATION  
The Ministry of Catechesis  
All are invited!**

The St. Ann Religious Education Program is primarily a volunteer-based program. We rely on volunteers to teach and protect our children as catechists and as hall monitors. This program would not be able to give the children of St. Ann the education in their faith that they deserve if it were not for the generosity of our volunteers.

The Parish Religious Education Program for children attending non-Catholic schools is scheduled on Sundays from 8:45 - 10:15 a.m. and Mondays from 4:00 - 5:30 p.m. We teach school levels from 1<sup>st</sup> to 8<sup>th</sup> grade. Classes for Religious Education start the second week of September and end the last week of May. We will meet during summertime for Formation. Catechists make a weekly commitment to teach, and you can also volunteer as an office aide, hall monitor, parking lot aide, or as a substitute catechist, and help out throughout the year as your schedule allows.
